

Product Name	Classic Styling Balm		
SDS Number	49JF09-156-A	Issuing Date	June 10, 2024
Safety Data Sheet			

1. Identification of The Substance/Preparation and The Company/Undertaking

Product Name

Classic Styling Balm

Manufacturer

Cal-Western Manufacturers
16539 S. Main St.
Gardena, CA 90248
USA

Product information

See certificate of analysis

HS Code: 3305

End use:

Hair Care

Emergency telephone number

(800) 424-9300

2. Hazards Identification

GHS/ Basic for Classification Based on present data no classification and labeling is required according to GHS.

Labeling Elements:

Pictograph	No hazard symbol.
Hazard statement/Signal word	Not applicable.
Precautionary statement	Not applicable.
Other hazards which do not result in GHS classification	None identified.

Statement of hazard The product does not require a hazard warning label in accordance with EC Directives.

No known hazards to skin, mild eye irritation may occur.
Observe the usual precautions when handling chemicals.

NPFA Rating Reactivity: 0 Flammability: 0 Health: 0 Spec Prot: None

3. Composition / Information On Ingredients

3.1 Emergency Overview:

- a) The identity of individual components of this mixture is proprietary information and regarded to be a trade secret. However, based on the health hazard determination of contained ingredients present, this mixture presents the following health hazard(s):

Hazardous Components	% Range	CAS NO.	OSHA PEL	ACGIH TLV
N/A	N/A	N/A	N/A	N/A

4. First Aid Measures

General Information Soiled material can be washed and removed in non-hazardous fashion.

Inhalation No inhalation hazard.

Skin Rinse with soap and water.

Eyes Rinse for 10-15 minuets. If symptoms persist call a physician.

Ingestion May cause irritation, discomfort, nausea.

Notes to physician

Main symptoms None known.

Treatment Treat Symptomatically.

5. Fire-fighting Measures

Suitable extinguishing media

Foam, dry powder, carbon dioxide (CO₂), and water spray.

Extinguishing media which must not be used for safety reasons

Do not use a solid water stream as it may scatter and spread fire.

Special exposure hazards arising from the substance or preparation itself, its combustion, or released gases

None known.

Special protective equipment for fire-fighters

Wear self contained breathing apparatus for fire fighting if necessary.

Environmental precautions

Dike and collect water used to fight fire.

Other Information

This is a water-based product and presents no particular fire or explosion hazard.

6. Accidental Release Measures

Personal precautions

None known.

Environmental precautions

Do not allow material to contaminate ground water system. Product is safe for general sewer system.

Methods for cleaning up

Soak up with inert absorbent material (e.g. sand, silica gel, acid binder, universal binder, sawdust). Keep in suitable, close containers for disposal. Contaminated equipment (brush, rags) must be cleaned immediately with water. Dispose of in accordance with local regulations.

7. Handling and Storage

Handling

Advice on safe handling

No special measures required.

Protection - fire and explosion

No special measures required.

Storage

Material Storage

Protect from frost. To maintain product quality, do not store in heat or direct sunlight. Keep at temperatures between 5 and 35 °C (40 and 95°F).

Technical measures/Storage conditions

Keep tightly close in a dry and cool place. No special technical protective measures required.

Incompatible products

No special restrictions on storage with other products.

German storage class

12: Non-combustible liquids.

8. Exposure Controls / Personal Protection

National occupational exposure limits (Germany)

No exposure limits established.

ACGIH Exposure Limits

Exposure controls

Engineering measures No special measures required.

Personal protective equipment

General advice Avoid contact with eyes.

Hygiene measures Wash hands before breaks and at the end of workday. When using, do not eat, drink or smoke. Take off all contaminated clothing immediately. Wash contaminated clothing before re-use.

Eye protection Safety Glasses.

Hand protection

Chemicals resistant gloves

Suitable material type Rubber gloves recommended , but not required.

9. Physical and Chemical Properties

Appearance	
Form	Viscous Cream
Color	Beige
Odor	Unfragranced

Flash point Not Applicable

Melting point/range Not Applicable

Boiling point/range Not Applicable

pH 5.00 - 6.00

Viscosity 50,000 - 70,000

Vapor pressure Not Applicable

Water solubility Soluble

10. Stability and Reactivity

Stability Stable under recommended storage conditions.

Conditions to avoid Do not freeze.

Materials to avoid None known.

Thermal decomposition No known hazardous decomposition.

Hazardous reactions No hazards to be especially mentioned.

11. Toxicological Information

Toxicological data are not available. Observe the usual hygienic measures for handling chemicals.

12. Ecological Information

Ecotoxicological data are not available. According to experience, the material has no harmful effect on the environment.

13. Disposal Considerations

Product information Disposal required in compliance with all waste management related state and local regulations. The choice of the appropriate method of disposal depends on the product composition by the time of disposal as well as the local statutes and possibilities for disposal. Diluted solution may be introduced into a biological purification plant, with permission of the responsible authorities.

Uncleaned empty packaging Contaminated packaging should be emptied as far as possible and after appropriate cleansing may be taken for reuse. Regulation concerning reuse or disposal of used packaging materials must be observed.

European Waste Catalogue Allocation of a waste code number, according to the European Waste Catalogue (EWC), should be carried out in agreement with the regional waste disposal company.

14. Transport Information

ADR/RID	Not regulated.
ADNR	Not regulated.
ICAO/IATA	Not regulated.
IMDG	Not regulated.

15. Regulatory Information

TSCA: Not applicable.

California Proposition 65: This product is not subject to warning labeling under California Proposition 65

SARA, Title III, Section 313 (40CFR 372): Not applicable.

SARA 302/304/311/312 extremely hazardous substances: No listed substance

16. Other Information

For further information, see:

For more information please see certificate of analysis.

Other Information

Product is safe to use on skin. Use as directed.

Changes against the previous version are marked by ***

Sources of key data used to compile the datasheet

Information contained in this safety data sheet is based on Cal-Western owned data and public sources deemed valid or acceptable. The absence of data elements required by ANSI or 2001/58/EC indicates, that no data meeting these requirements is available.

Further information

This information is based on our present state of knowledge. It shall describe our products regarding safety requirements and shall not be construed as a guarantee or statement of condition and/or quality.
